County Board Opposes Tax Ratio Change

The Appomattox County Board of Supervisors held its May meeting yesterday. Included in the business transacted was the adoption of a resolution in opposition to the proposal that public utilities be assessed at ratios no higher than other ratios prevailing in the counties.

A proposal has been suggested that instead of the present 40 per cent of valuation rate, the State Corporation Commission use the rates prevailing in the counties in which the utility property is located.

Some Virginia counties use ratios much lower than 40 per cent of the true value. Such counties would lose heavily in tax income were the changed procedure adopted.

Quite a number of Virginia counties have adopted resolutions similar to the one adopted yesterday by the Appomattox Board.

It is pointed out that Virginia counties owe a total debt of 165 million dollars. A considerable part of this was brought about by construction of new schools. A loss of tax income would be of concern to the counties having bonded debt.

Local Lady Is Presented Key To The City

Above: Mayor F. W. Sizemore, of South Boston, presents "the key to the city" to Mrs. Calvin Robinson, of Appomattox. The occasion was the recent District Conference of the United Daughters of the Confederacy, held in South Boston. Mrs. Robinson is District Chairman and presided at the Conference. Mayor Sizemore officially welcomed the guests to his city.

Appomattox County Day Huge Success

More people visited the McLean House this past Sunday than ever before on any one day (1,375 by actual mechanical count), as a very large assemblage gathered at Old Appomattox Court House for observation of Appomattox County Day. The event was sponsored by the Appomattox County Jamestown Festival Year Committee, and during the day drew some 3,000 persons to the National Park Service area. (Note: A larger crowd was here for the Dedication of the McLean House in 1951, but the House was not open all of that day; hence the record set last Sunday.)

Feature events brought a steady flow of local and visiting people to the Old Court House all day.

Some 900 were present for the highly successful and inspiring religious service at 11:45 A. M. Dr. W. Twyman Williams brought a brilliant sermon on the theme: "The Certainty of World Peace." Local churches cooperated in this union service, and the general sentiment was there should be an annual service of this type at the spot where the nation made Peace in 1865.

Saturday afternoon, a highly successful Flower Show was staged by the Garden Club. An Art Exhibit, an Antique Firearms Exhibit, and a Military Retreat at 5.00 P. M. with other successful events of the day.

Over two dozen local organizations participated in the planning and staging of Appomattox County Day. Mrs. Frank F. Carr was Chairman for the entire event, with Calvin Robinson as Chairman of the County Jamestown Festival Year Committee.

The event was a home-coming occasion, as many former residents of the county returned to spend the day at the Old Court House. Lunch was served on the grounds by the ladies of Circle 3 of Memorial Methodist Church.

A top feature of the day was the presence, in full costume, of parts of two companies of the reactived Confederate Companies in Virginia. Their ladies, in period costume, were also present. They attended the Union Religious Service and participated in the Military Retreat and other activities during the day.

The Art Exhibit was shown in the Old Jail Building, and attracted widespread praise, as did the old weapons exhibit of Malcolm Booker. The National Guard was at the Old Court House all during the day, and led the Military Retreat.

Red Cross Bloodmobile Here May 22

The Red Cross Bloodmobile will be in Appomattox on Monday, May 27, from 11 A. M. to 5 P. M.

Plans for the visit are being made by the Appomattox Chapter American Red Cross. Through the cooperation of Dr. Carl Collins, Jr., the facilities of the Liberty Baptist Church will once again be available for the Bloodmobile.

The committee asks that all donors keep this date in mind. Mr. Newton Jennings is in charge of donor recruitment. Donor cards may be secured from him or from H. A. Gurney.

LIONS CLUB TONIGHT

The Appomattox Lions Club will meet tonight at 6:45 at the Hotel Appomattox.

The Times-Virginian has been informed that Dr. Aubrey Keesee, Supervisor of Appomattox County Public Schools, and Principal Kenneth W. Christopher, of the Appomattox Hight School have resigned their positions as of the end of the present contract, and will not return next year.

Dr. Keesee has been Supervisor of Schools here for five years, and has rendered meritorious service to the pupils, teachers, parents and the county as a whole. A man of outstanding attainments, he has the respect and good-will of the people of the county, and it will be difficult to replace him.

We are informed that Dr. Keesee will teach in Fairfax next session.

Mr. Christopher came to Appomattox last year from Stanfield, N. C., succeeding H. E. Kerr as principal of Appomattox H. S. He has had an outstanding record this session, and his many friends regret to hear of his decision not to return next year. All activities at the local school have had an excellent year under his leadership.

The Appomattox County Board and Division Superintendent will begin immediately the search for replacements for these two positions.

Loan Program Rate Listed For Tobacco

The U. S. Department of Agriculture today announced a 1957-crop price support loan program and the minimum cents-per-pound average loan levels at which specified kinds of tobacco will be supported.

Loans will be available on 1957 crop Burley, flue-cured, Maryland, and cigar filler and cigar binder tobacco at 90 per cent of parity.

Price support at these levels is mandatory under existing law.

The minimum cents-per-pound average loan levels at which certain types of tobacco will be supported are listed below. Those average loan levels are based on parity prices as of March 15, 1957. The actual support level will be the minimum shown or the level computed as of the beginning of the marketing year (July 1, 1957, in the case of flue-cured; October 1, 1957, for all other types), whichever is higher.

Minimum support levels are not being announced for fire-cured, dark air-cured and Virginia sun - cured tobacco because of pending legislation. The per cent of parity and the cents-per-pound average loan level of support for Puerto Rican tobacco will be announced prior to the planting season which commences after October 1, 1957.

Price support will be made available to growers of eligible tobacco through grower associations on the basis of official standard grades at a specified rate for each grade. However, price support will not be made available on tobacco produced on any farm where more than one kind of tobacco is produced unless the acreage harvested of each kind of tobacco is within the applicable acreage allotment established for the farm.
